Bookkeeping Basics

Assets in Accounting

Liabilities and Equity in Accounting

Financial Statement Analysis

Jul 26, 2023

Jiye Yang

has successfully completed the online, non-credit Professional Certificate

Intuit Academy Bookkeeping

Whether you are starting out or looking for a career change, the Intuit Bookkeeping program prepares you for a variety of jobs in public accounting, private industry, government, and non-profit organizations. You've gained a foundational understanding of accounting principles and an introduction to QuickBooks Online through hands-on practice working with real-world accounting scenarios. Upon completion, you'll be ready to take the Intuit Academy Bookkeeping exam and can stand out for roles like Associate Bookkeeper at Intuit or anywhere in the field when you earn your Intuit Academy Bookkeeping Badge.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
